TODAY'S GAME

Welcome to the Mid-American Conference opener for Bowling Green as the Falcons oppose the University of Akron, which opened its season two weeks ago with a league game against Eastern Michigan.

Much like the home opener against Louisiana Tech, the visitors come into today's game with some advantages.

Like Louisiana Tech, the main components of the Akron coaching staff are new this season which leads to the unknown factor with the Zips having played just one game. Head coach Lee Owens is in his first season at Akron after spending three seasons at Ohio State as the tight end and tackles coach while both his offensive and defensive coordinators are new to the program. The Zips were also idle last week giving them some extra time to heal the bumps and bruises from their opener while providing additional preparation time.

It isn't any secret that Owens is in the first year of a rebuilding program with the Zips. After a 1-10 campaign in 1994, former

head coach Gerry Faust was let go, and Owens, who headed the powerful Massillon Washington High School program for four years before taking the job at Ohio State, was picked to spearhead the rebuilding.

And, while the defense did allow 49 points in the season opening loss to Eastern Michigan, the program showed some improvement offensively in the first game

scoring 29 points, more than the Zips scored in any game last season, and the most since the Temple game seven contests into the 1993 season.

The offense racked up 410 yards of total offense against the Eagles, including 320 yards through the air. Quarterback Brian Magrell completed 17-of-25 passes for 202 yards and two scores while sharing time with Mike Junko, who was nine-of-18 for 118 yards. The favorite targets were wide receivers Eddie Alford and Lew Lawhorn. Alford had nine catches for 141 yards (15.7 avg.) while Lawhorn had five receptions for 69 yards (13.8 avg.).

Lawhorn started the season
(Continued on page 3)

Junior tailback Courtney Davis showed his versatility in the season opener against Louisiana Tech with 155 all-purpose yards. He had 60 yards rushing, leading the team, 51 yards on receptions, and 44 yards on punt returns.

(Continued from page 2)
with a bang for the Zips returning the opening kickoff 93 yards for a touchdown. A transfer from Temple, Lawhorn ranked third in the nation in 1992 averaging 30.0 yards on 20 kickoff returns. His return for a touchdown against Eastern Michigan was the third of his career. He is considered the fastest player on the Zip squad. He had 232 all-purpose yards in the Eastern Michigan game.

The two Akron quarterbacks completed passes to nine different players in the opener.

Tailback Terrell Dixon led the running game with 59 yards on 12 carries.

Defense is another story.

The Zips were last in the MAC last season in total defense, rushing defense, and scoring defense. They allowed an average of 36.7 points in 1994 and yielded 49 in the season opener. Top players on the defensive side of the ball for

the Zips are junior linebacker Jason Taylor, junior tackle Mac Warren, and sophomore linebacker Nate Boyd. Akron yielded 507 yards in the Eastern Michigan game.

The two programs are meeting for the seventh time this afternoon with the Falcons dominating the last three meetings since Akron joined the league in 1992. BG has outscored the Zips, 118-10, in winning the last three meetings. BG is 2-1 at home in the series having posted wins in 1993 (49-7) and 1985 (27-22). Akron's lone road win in the series was a 38-24 decision in 1989, the first night game in Perry Stadium history.

The Falcons certainly should be riding renewed confidence from its win at Missouri last week as the Falcons of the last few seasons appeared in the second half and dominated their Big Eight foe.

VARSITY BG CLUB To HONOR THREE

The Bowling Green State University Varsity BG Club, which has a membership of over 550 former letter winners, will recognize three people this afternoon for their contributions to the athletic program and the University.

The three honorees, who will be recognized in a ceremony prior to the game, include **Harry Frankfather** '26, **Charles (Buddy) McCampbell** '59, and **Jim Hof** '50.

Frankfather will receive the Golden Letterman Award, McCampbell the Silver Letterman Award, and Hof the Honorary Letterman Award. The Golden honor goes to a letterman who graduated at least 50 years ago (1915-1945) while the Silver award is presented annually to a letter winner who graduated at least 25 years ago, but after 1945. The honorary award is presented to someone who made significant contributions to BGSU athletics, but is not a letter winner.

Following the game this afternoon, the Varsity BG Club will hold a reception for the honorees in the Ice Arena Lounge. The reception is free and open to anyone who would like to attend.

Frankfather, 95, currently resides in Elyria, Ohio. He is believed to be the oldest living BGSU letterman.

Frankfather was the captain of the 1926 baseball team after earning letters in 1924 and 1925, also. He led the Northwest Ohio Athletic Association in stolen bases his senior year. Frankfather also lettered in track (1924-26) and football (1925). He served as captain of the track team in 1924 while playing quarterback as a member of the Falcon football squad.

After graduating, Frankfather taught in McClure and then spent the remainder of his professional life teaching and coaching in the Lorain/Elyria area.

McCampbell earned three letters in basketball (1957-58-59) and one in track (1959) during his undergraduate days at BGSU.

A high school star at Columbus Central, McCampbell helped the BG freshman team in 1956 compile a perfect record (17-0) finishing second on the squad scoring 187 points while topping the squad in rebounding.

As a sophomore, he moved into the starting lineup about midway through the season ending up as one of only six players who played in all 23 games for legendary coach Harold Anderson. He was fifth on the team in points and second in rebounding. As a junior he helped BG compile a

15-8 record averaging 10.4 points and rebounds. His rebounding average was second in the Mid-American Conference to Wayne Embry while he earned second-team all-league honors.

As a senior, he was second on the team with an 11.3 scoring average while helping the Falcons to their first MAC title and with it the first NCAA Tournament invitation. He earned first-team All-

MAC honors his senior season. For his career, he had 567 rebounds for a 7.9 average. Both marks rank among the top 15 all-time at BGSU.

After graduating from Bowling Green, McCampbell concluded a distinguished military career as a major in Dover, N.J. as the Director of Procurement at the Army Research and Development Command for Weapons and Ammunition. He is presently the president of the Heritage Paper Company, a maker of fine paper, in Rockaway, N.J.

McCampbell and his wife, Billie Caroline Rose, have one daughter, Kai McCampbell-Hill, who resides in Bradenton, Fla.

Hof had a long association with the University having graduated from Bowling Green in 1950 before spending 27 years in administration at BGSU.

Hof started at BGSU in 1951 as a faculty member. After a short stint away from the University, he returned in 1957 as an admissions officer. In 1960 he became the alumni director while adding the responsibilities of Director of University Relations. In 1971, he was named the Vice

President for Public Services with one of his responsibilities being intercollegiate athletics. He eventually was named Vice President of Development and Alumni Affairs before retiring in 1982. While overseeing athletics, Hof was instrumental in the development of the Falcon Club, the expansion of the golf course, and the development of the stadium club at Perry Stadium, among other things. He also served as the public address voice of the Falcons for many years.

After moving to Florida and working for a condominium firm, he joined the administrative staff at the University of South Florida as the Director of University Relations and Development in 1984. Although he still serves as a consultant, Hof retired from his position at South Florida in July, 1994.

He has five children, three sons and two daughters.

HEAD COACH GARY BLACKNEY

When it comes to winning games, few have done it better than Bowling Green State University head coach Gary Blackney.

Blackney has resurrected a once-proud football program, guiding the Falcons to back-to-back Mid-American Conference titles - going undefeated in league play to win the titles - and second and third-place finishes the last two seasons.

To get an idea of how dominant Falcon teams have been in MAC play during Blackney's tenure, consider the fact BG has had a perfect record for 26 of the 32 weeks of league play over the last four years. In addition, Bowling Green has not had a loss on its slate for 29 of the 32 weeks. All in all, Blackney has led his teams to an eye-popping 28-2-2 (.906) record in MAC play.

This comes on the heels of five straight years when 5-6 was the program's best record.

In just four short seasons, Blackney has accomplished what some have not in a lifetime. He is the first, and only, BGSU coach to win a bowl game. He was the first BGSU coach to lead his team to back-to-back seasons of at least 10 wins. He tied the NCAA record for "rookie" head coaches winning 11 games in 1991. And, he led the program to a MAC-record 19 con-

Children: Debbie (28), David (27), Kyle (21), Gary Jr. (17)

secutive conference wins and a 22-game unbeaten streak to begin his tenure.

The 1995 season will present some new challenges for Blackney and his staff as they look to win a third title. In order to achieve what they have set out to, they will have to overcome the loss of Vince Palko, two-time MAC Defensive Player of the Year, and the record-setting receiving combo of Ronnie Redd and Rameir Martin. Nonetheless, he believes BGSU will be a factor again. But, overcoming obstacles is something Blackney, as a coach and person, has grown accustomed to.

All Blackney did, in not only his first season at BGSU but his first season as a collegiate head coach,

was take a 3-5-2 team and turn them into a 11-1 squad, which won their last 10 games. The Falcons clinched the MAC title with two weeks of the league schedule still remaining. The final standings showed BG with a perfect 8-0 mark while the second place team finished at 3-1-4.

The top first-year coach in the country, Blackney was just the fifth coach in MAC history to lead his team to an outright conference title in his first season. He is also the winningest first-year head coach in BGSU history equalling the NCAA record for most wins by a coach in his first season in the top spot. The 11 wins by the 1991 team tied the school record.

For an encore, with the Falcons no longer an unknown as they were in

The BGSU football program broke the Mid-American Conference record for consecutive league victories in their 17-10 win over Toledo in 1993. Head coach Gary Blackney is carried off the field by his players after BG's 17th straight league victory.

HEAD COACH GARY BLACKNEY

1991, the 1992 favorites gladly accepted that role and again won the league title with a perfect record. The Falcons earned the right to represent the MAC in the first Las Vegas Bowl and backed up the program's first bowl victory in 1991 over Fresno State in the California Bowl with a thrilling 35-34 win over Nevada in Las Vegas.

Needless to say, the success that Blackney has brought to the program has also meant some prestigious honors along the way.

He became only the second coach in league history to earn Coach of the Year honors in back-to-back seasons earning the award in 1991 and 1992. He was also named the Coach of the Year in region 3 by his peers, the American Football Coaches Association, the same two seasons. The region included all I-A schools in the states of Ohio, Indiana, Michigan, Illinois and Big Ten member schools Wisconsin, Minnesota and Iowa. The BGSU mentor was also the 1992 Ohio Collegiate Coach of the Year.

A little less than five years ago, Blackney realized his dream of becoming a collegiate head coach. He certainly paid his dues serving as an assistant the previous 21 years at such programs as Wisconsin, UCLA, Syracuse and, most recently, Ohio

State. The list of coaches he served under ranks among the best in the collegiate game - coaches such as Dick MacPherson, Terry Donahue, Earl Bruce, Rick Forzano and John Cooper.

The Plainview, New York native began his coaching career at his alma mater, Connecticut, in 1968, where he spent two seasons as a graduate assistant on a staff that included, in addition to Forzano, current Notre Dame head coach Lou Holtz, former Cleveland Browns head coach Sam Rutigliano, and Dave Adolph and Dan Sekanovich, both NFL assistant coaches.

That was followed by stops at Brown and Rhode Island, in addition to the aforementioned schools, with all but two of those seasons spent on the defensive side of the ball. In seven of the last 11 years, Blackney has helped a team to a bowl bid.

His success story is certainly one that makes all people feel thankful.

In March, 1986, Gary's wife, Lauretta, suffered a basilar artery aneurysm which has led to her need for 24-hour care.

Forced to take over the duties of running the household, which were previously handled by Lauretta, Blackney still keeps up with the demands of being a head coach and a father.

ASSISTANT COACHES

1995 BGSU Coaching Staff: (left to right) assistant to the athletic director Mike Bartley, Scott Seeliger, Jim Collis, Terry Malone, Bruce Gregory, graduate assistant Ryan Hockman, head coach Gary Blackney, Steve Telander, Tony Pusateri, strength and conditioning coach Mike Ward, Paul Ferraro, Dino Dawson, Bob Ligashesky, graduate assistant Tim Walton.

JIM COLLIS

Assistant Coach

Jim Collis, 35, is the newest member of the football staff having joined the program in March. He will work with the quarterbacks this season. Collis comes to the Bowling Green program with 13 years of collegiate experience, all on the offensive side of the ball. Most recently he was the quarterbacks and receivers coach at Pennsylvania where he helped the Quakers compile a 19-0 record the last two seasons and a pair of Ivy League titles. The Herkimer, N.Y. native also served on coaching staffs at Connecticut, Lafayette, and Springfield, his alma mater. Collis recruits the state of Indiana, Upstate New York, Rochester, and Syracuse. He and his wife, Jennifer, have two children, Jamie, 3, and Haley, 1.

DINO DAWSON

Assistant Coach

Dino Dawson, 29, is in his second season on the staff. Dawson works with the running backs. The Detroit, Mich. native spent the 1993 season at Illinois State helping the Redbirds to a 6-4-1 record, which included wins over I-AA powers Youngstown State and McNeese State. His first season in the coaching ranks, 1992, Dawson served as the wide receiver coach at Wayne State, his alma mater having earned his undergraduate

degree in criminal justice in 1991. Dawson, who recruits Michigan, played at Ohio State and Kent.

PAUL FERRARO

Assistant Coach

Paul Ferraro, 36, is in his fifth season as the defensive coordinator at BGSU having built a unit which ranked first in the MAC in scoring defense each of the last two seasons. Paul will work with the defensive secondary in addition to his duties as the defensive coordinator while recruiting Cleveland and Toledo as well as the states of New Jersey and Florida. Paul has 13 years of collegiate experience, most recently as a member of Tom Lichtenberg's staff at both Maine (1989) and Ohio (1990). The Ridgewood, N.J. native earned three letters at Springfield as a defensive back during his playing days. He and his wife, Marsha, have one daughter, Allison, 12.

BRUCE GREGORY

Assistant Coach

Bruce Gregory, 34, is in his fourth season on the staff as the coach of the wide receivers. He came to BGSU after serving as the coach of the wide receivers at Boston University for four seasons. The South Kingstown, R.I. native has played a role in the development of Falcon all-conference receivers Rameir Martin and

Ronnie Redd. Prior to serving on the coaching staff at Boston University, Gregory spent two seasons (1986 and 1987) at BGSU under head coach Moe Ankney. Gregory, a Western Maryland College graduate, and his wife, Tracy, have two children, Megan, 6, and Brian, 4. Gregory recruits Northwest Ohio.

BOB LIGASHESKY

Assistant Coach

Bob Ligashesky, 33, who joined the staff in December, 1990, will coach the outside linebackers. Ligashesky is responsible for recruiting in the Akron-Canton and Pittsburgh areas as well as Northeast Ohio and the Western United States. The McKees Rock, Pa. native came to BGSU from Kent where he coached the inside linebackers under head coach Dick Crum. Ligashesky, who is BG's recruiting coordinator, also coached collegiately at Wake Forest and Arizona State. Ligashesky earned three letters at Indiana University of Pennsylvania during his collegiate playing career.

TERRY MALONE

Assistant Coach

Terry Malone, 35, is in his 10th year at BGSU, his first as the offensive coordinator. In addition, he will coach the offensive tackles and tight ends this season. Malone is responsible for recruiting the state of Michigan. The Buffalo, N.Y. native has also coached the centers and guards during his tenure at BGSU. Malone previously coached at Holy Cross and Arizona. Malone was a four-year starting tight end at Holy Cross where he earned his degree in 1983. Malone and wife, Ann, are the parents of three children, Kara, 4, Patrick, 3, and Ryan, 1.

TONY PUSATERI

Assistant Coach

Tony Pusateri, 44, joined the program in February, 1991 and will again coach the defensive line while also handling the kickers and special teams. Pusateri was one of the top high school coaches in the state for 15 years prior to coming to BGSU, spending 10 of those seasons at St. Francis DeSales in Columbus. At DeSales, Pusateri's teams won almost 75% of their games and the 1985 Ohio Division III title. Pusateri coached at Westerville South for five seasons before joining the BGSU staff. The Columbus, Ohio native is a graduate of Capital University. Tony and his wife, Kim, are the parents of one child, Antoinette, 3. Pusateri recruits the central and south-east Ohio areas and the northwest United States.

SCOTT SEELIGER

Assistant Coach

Scott Seeliger, 45, is in his second stint as an assistant coach at BGSU having been a member of Denny Stolz's staff for five years between 1979 and 1983. Seeliger joined the present staff in January, 1991 as the assistant head coach in addition to his responsibilities with the guards and centers. He recruits Southwestern Ohio and the Southeast United States in addition to the Cincinnati, Dayton and Indianapolis areas. Besides his eight years at BG, Seeliger's 15 years of coaching experience on the collegiate level includes nine seasons at Wisconsin, where he spent most of his time coaching the offensive line. The Madison, Wis. native was a tight end on the 1972 Iowa State team that played in the Sun Bowl. Scott and his wife, Karen, have two daughters, Keri, 22, and Kori, 20.

STEVE TELANDER

Assistant Coach

Steve Telander, 39, is in his second season on the football staff. The graduate of Rome (N.Y.) Free Academy will coach the inside linebackers. Telander spent the five seasons prior to coming to BGSU on the staff at Missouri where he worked with the inside linebackers for one season and the defensive ends the other four years. Previously he had coached

on the staffs as UTEP, for three years, and five years at Massachusetts, his alma mater. Telander recruits East Cleveland, Western Pennsylvania and Western New York.

RYAN HOCKMAN

Graduate Assistant

Ryan Hockman, 26, begins his second season with the BGSU football program as a graduate assistant coach. Hockman, a Harrison, Ohio native, will assist the coaching staff on the offensive side of the ball. The University of Kentucky graduate came to the BGSU program after spending six months on the staff at Nichols (La.) State. Prior to that, he had served as an assistant coach for the Braunschweig Lions in Braunschweig, Germany. A three-time All-Southeastern Conference academic selection, Hockman threw for almost 1,000 yards while earning four letters as a quarterback at Kentucky. Hockman is the younger brother of former Falcon tight end Kyle Hockman, '89, and his father, Ken, was a 1964 BGSU letterman.

TIM WALTON

Graduate Assistant

Tim Walton, 24, is in his first season as a graduate assistant with the BGSU football program. Walton was a four-year

letterwinner (1990-93) in the Ohio State program during his playing days. Walton started 25 games during his career recording 159 career tackles. His senior season, 1993, he started nine games at cornerback making 39 tackles and two interceptions while serving as a co-captain. The 1993 Buckeye squad tied with Wisconsin for the Big Ten championship. Walton signed a free agent contract with Atlanta and was in the Falcons' camp in 1994. Walton earned his degree in sociology from Ohio State in March. He is a native of Columbus, Ga.

MIKE WARD

Strength and Conditioning Coach

Mike Ward, 33, is in his fourth season as the strength and conditioning coach at BGSU. He is also the director of the BGSU Athletic Fitness Center, located on the west side of Doyt Perry Stadium. The Mansfield, Ohio native works with all 19 intercollegiate sports and is responsible for the maintenance and development of the \$300,000 fitness center, a 5,800-square foot facility. The 1984 graduate of Georgetown (Ky.) College also earned his graduate degree there while earning All-America honors as a guard on the football team. Before coming to BG, Ward was an assistant coach at Findlay University. He and his wife, Jody, reside in Bowling Green.

MID-AMERICAN CONFERENCE

The MAC is one of the 10 Division I-A conferences in the country, along with the Atlantic Coast, Big Ten, Big East, Big Eight, Big West, Pacific-10, Southeastern, Southwest and Western Athletic conferences.

Entering its 49th year of existence, the MAC consists of 10 state-supported institutions in the midwestern states of Ohio, Michigan and Indiana. Of the 10 current members - the University of Akron, Ball State University, Bowling Green State University, Central Michigan University, Eastern Michigan University, Kent State University, Miami University, Ohio University, the University of Toledo and Western Michigan University - nine schools have been members of the conference for 15 or more years. The University of Akron is the newest member having joined the league in 1992.

The league will change composition in 1997-98 adding Marshall and Northern Illinois while the University of Buffalo will become a MAC member in 1998 or 1999 bringing membership to 13.

The 10 member institutions have a total enrollment of better than 220,000, with individual enrollments ranging from 16,000 to 30,000, and have produced more than one million alumni. The MAC is the fourth-largest conference in the country in terms of undergraduate enrollment.

Throughout its existence, the MAC has been in the forefront of national legislation that has enhanced the academic integrity of intercollegiate athletics. The MAC had an academic progress rule, strengthened admittance stan-

dards, and qualitative grade point average requirements for its student-athletes long before the NCAA adopted or discussed implementing such academic standards.

The MAC currently sponsors 19 championships, 10 in men's sports and nine on the women's side. For men, the MAC has sponsored championships in football, baseball, basketball, cross country, golf, tennis, and track and field since its founding, and added swimming and diving and wrestling championships five years later. Men's soccer was added as a MAC-sponsored sport in 1993.

In 1980, the MAC Council of Presi-

dents voted to bring women's athletics into the conference structure. The MAC currently sponsors women's championships in basketball, cross country, field hockey, gymnastics, softball, swimming and diving, tennis, track and field and volleyball.

The MAC is the only Division I conference with its own Hall of Fame. A total of 52 individuals have been inducted into the MAC Hall of Fame since its beginning in 1988, including 21 inductees with football backgrounds. Some of those include Ara Parseghian (Miami), Doyt Perry (Bowling Green), Bo Schembechler (Miami), Jack Lambert (Kent) and Phil Villapiano (Bowling Green).

Numerous MAC football teams and players have received national recognition during the MAC's 48 years. Bowling Green was recognized as the national small college champion in 1959, and Ohio won similar honors in 1960. After MAC teams achieved major college status, Toledo compiled a 35-game winning streak from 1969-71, the second-longest streak in modern major college football history. Miami beat Florida, Georgia and South Carolina in the 1973, 1974 and 1975 Tangerine Bowls. In the last few years the non-conference victims of MAC teams include opponents from the Big Ten, Big Eight, SEC and WAC.

For the fourth straight year, the MAC champion will play the Big West champion in the Las Vegas Bowl. This year's game is scheduled for Dec. 14 at 6 p.m. This is the 15th season the winners of the MAC and BWC have battled in a bowl.

THE FALCON CLUB NEEDS YOU!

To Our Falcon Fans:

You are the key to success for our Falcon teams.

Our fine student-athletes greatly depend on the Falcon Club to raise almost \$300,000 of income to help fund the athletic grants. The Falcon Club also assists in other athletic areas including the funding for facility budgets.

Your help and support does make a difference for the continued success of our outstanding teams. Falcon Club members are proud alumni, parents, friends and fans that provide financial support, volunteer hours and give their advisory expertise to the BGSU athletic program in order to share in the many benefits the Falcon Club has to offer.

The pride and tradition of Bowling Green has enabled the Falcon Club to once again set high goals for 1995. Your support is needed so participants and fans alike can continue to enjoy the winning combination provided by one of America's premier athletic programs.

Please give to our fine athletic program and its 19 very competitive teams as we look forward to you joining the Falcon Club in '95.

Go Falcons!!!

Sincerely,

After two years of racing to expand electric vehicle technology

ELECTRIC FALCON MOVING INTO HIGH GEAR

Two years ago when Dr. Thomas Erikson, dean of the College of Technology, announced that faculty and students would be building an electric race car and participating in a four-year racing program, he said he was doing it for three reasons:

First, to provide hands-on, state-of-the-art learning opportunities for students enrolled in the college;

Second, to advance the technology of electric vehicles and be a driving force in keeping motor vehicle development and manufacturing in the Ohio/Michigan area;

And third, to win races. He realized that Bowling Green was the only university competing which did not have an engineering school or college. To make some of the "big boys"—Oklahoma, Ohio State, Notre Dame, West Virginia—eat the Electric Falcon's racing dust would be great publicity for Bowling Green's program.

Now, after two years of racing, the program is well on its way to reaching those goals.

Dozens of faculty members and hundreds of students from all areas of the University have worked on the Electric Falcon. Faculty have used the car for class projects and the students have solved problems or designed systems which were later incorporated into the car.

All technology students have been invited to participate and those who have volunteered to get their hands dirty have learned not only about electric motors and vehicles, but also what it takes to be on the cutting edge of new technology.

One student, Bill Koetting, a senior from Waterford, Mich., even helped push that technology envelope by designing and building a safety system which allows the driver to disconnect the battery packs from the motor in the event of a crash. His work is now being reviewed for patent possibilities.

Other patent possibilities are also being examined surrounding the design and development of an experimental power plant. Anthony Palumbo, an associate professor of technology and coordinator of the design team that built and maintains the car, said these developments, which were put into the car in mid-season this year, could increase the car's top speed by more than 25 m.p.h.

Working out the bugs in the new system may have kept the college from achieving its third goals—winning a race. In the Falcon's first four races, it finished fifth, third and then second, twice.

One of the most consistent cars on the track, the Electric Falcon was leading in the overall points standings this year when it was decided to install the new power plant before the race in Cleveland in July. The car failed to finish that race and failed to start the next one a month later in Indianapolis; there are bugs to work out.

But even with the two "DNF"s, Erikson is pleased with the progress and direction of the program, adding that the technology they had been using was heading toward a dead-end in terms of performance. The new power plant has a much brighter future.

And while the car has yet to record its

The Electric Falcon failed to finish the race, but the newly installed experimental power plant showed signs that the car may soon be the one to beat in electric-motor racing.

first victory, it is winning the attention of the media.

National media attention started in November last year when *Popular Science* magazine showcased the Electric Falcon in living color as its centerfold. The accompanying article, "Formula Electric: A new racing series for electric-powered cars presses the ingenuity of young designers," was written by race car driver Dan McCosh and focused on the formula lightning series and the new trend of electric car building and racing.

Six months later, the Electric Falcon made a cover debut in the May 1995 issue of *Power Transmission, The Magazine of Motion Systems Design*. The national trade publication also devoted five pages to an article, "The race to the electric car," which highlighted the Electric Falcon as representative of electric vehicle technology, including eight photos of the vehicle and its vari-

ous electric systems.

Other coverage of the Electric Falcon included an article in *The Journal of Industrial Technology* and a live ESPN broadcast. The vehicle was showcased for a total of 68 days at trade shows and special displays from Nashville, Tenn., to Chicago, where it was viewed by an estimated 1.9 million people.

In all, newspaper coverage of the Electric Falcon totaled 1,250 inches, with television and radio coverage an additional 305 minutes.

Sixty of those TV minutes occurred Sept. 1 when an hour-long program on the Prime Sports Cable Network. As part of the program, the Electric Falcon and the faculty and students who built the car, were featured. This show is being repeated various times this month on Prime and its affiliate networks.

Ramanathan Swaminathan (left) and Bill Koetting, both members of Bowling Green State University's Electric Falcon student "Pit Crew" attach the nose of the electric race car while Prime Sports videographer Eric Caldwell captures the action. The videographer and a producer were on campus recently to shoot footage for a Prime Sports program which is airing this month.

"A SACK FOR A SACK"

This season Kroger wants to help families in need. Each time a BGSU defensive player sacks the opposing quarterback, Kroger will donate a sack of groceries to food pantries throughout the region.

Last year, Kroger donated over \$65,000 worth of food for food pantries serviced by the Mid-Ohio Food Bank. We encourage you to support your local food pantry. Together, we can fight hunger!

Wings Of The Falcons BGSU Football Alumni Network

In its initial year, this "organization" was established to create a networking system that encourages former Falcon football players to attend BGSU games (home and away), team reunions, etc. in greater social numbers.

The program is also designed to better cultivate, through a caring attitude, those Falcons who are prepared or would be willing "to give back to Bowling Green football", not always in financial terms, but in the equally important aspect of spreading the positive word about Falcon football and BGSU in general.

Finally, via increased interaction amongst friends and peers, "Wings" strengthens the linkage that further enhances the tremendous life-long benefits that being a part of such a special program delivers.

Volunteer class representatives play a vital role in assisting the football staff by enlisting support and updating information on their former teammates.

Further information is available by contacting Jean Panning, football secretary at (419) 372-7083, or Ken Kavanagh, associate athletic director, at (419) 372-7054. Or stop by the "Wings" tent in the northeast corner of Perry Stadium before or after any home game.

Falcon Quest

One of only 46 institutions to have participated in the NCAA Life Skills 1994 pilot study, BGSU's "Falcon Quest" program is designed to address the "total development" of the student-athlete in preparation for the biggest game of all - the game of life. With the assistance of numerous University and Bowling Green community personnel, a variety of programs are held during the year. In its inaugural year, *Falcon Quest* created and activated the Student-Athlete Advisory board, held a comprehensive Life Skills conference - attended by nearly 500 student-athletes, initiated the Falcon Speakers Bureau, and organized the Fall Falcon Fling picnic. *Falcon Quest* provides a well-rounded program for BGSU student-athletes to develop the individual skills necessary to lead a productive, successful life.

BOWLING GREEN STATE UNIVERSITY

Bowling Green State University's success lies in offering its students the educational opportunities, diversity and excitement of a large university, while maintaining the personality, camaraderie and caring of a small college.

This success is fueled in large part by Bowling Green's commitment to research and teaching which has attracted top faculty scholars and graduate students. They, in turn, have put the University on the cutting edge in the discovery of exciting new knowledge.

Bowling Green has nearly 875 full- and part-time faculty and 17,000 students on its campus. Degree programs are offered through the colleges of Arts and Sciences, Business Administration, Education and Allied Professions, Health and Human Services, Musical Arts, Technology and the Graduate College. Within the undergraduate colleges are schools of Art, Mass Communication, Nursing, and Health, Physical Education and Recreation.

In all, the University offers more than 165 undergraduate degree programs, 13 master's degrees in 60 fields of study and doctoral degrees in 14 departments with more than 80 specializations.

In addition to courses on the main campus, the University's Firelands College, located in Huron, Ohio, offers 21 associate degree programs, as well as courses which fulfill the first two years of bachelor's degree requirements. Firelands enrollment tops 1,400 students.

Fully accredited at the highest state, regional and national levels, the University has chapters of most national academic honor societies, including Phi Beta Kappa and Phi Kappa Phi. Bowling Green is also a member of the National Association of State Universities and Land Grant Colleges.

The University's faculty, more than 95 percent of whom have the highest degree in their field, include Fulbright Scholars, authors and nationally known researchers. The caliber of the faculty is reflected, too, in the number of academic programs which are regionally and nationally recognized, such as the industrial psychology program ranked fifth in the country in a recent U.S. News and World Report study. Also, faculty have been elected to high ranking positions in several national and regional professional organizations.

Three academic departments - chemistry, philosophy and psychology - are home to Ohio Eminent Scholars. The scholar program was created by the Ohio Board of Regents to attract world-class educators and researchers to the state's universities. Only two other Ohio universities - Ohio State and Cincinnati - have more of these prestigious positions than BGSU.

While committed to teaching, faculty are researchers as well, generating new knowledge through independent research and involvement in University units such as the Center for Photochemical Sciences, the Population and Society Research Cen-

Olscamp Hall, named for Paul J. Olscamp, former president, is a classroom building with state-of-the-art communication technology.

ter, the Mid American Center for Contemporary Music, the Center for Quality, Measurement and Automation, the Center for Canadian Studies, the Center for the Study of Popular Culture, and the Social Philosophy and Policy Center.

Bowling Green is also the site of the National Drosophila Species Resource Center and the Mid America Stock Center - the largest scientific facilities of their kind in the world - where University faculty assist in supplying some 400 species of fruit flies to scientists involved in genetics and cancer research around the globe.

The University's students come from throughout the United States and more than 80 foreign nations. While most students are between the ages of 18-22, the number of those older than 25 is increasing. Last year, more than 5,000 "non-traditional" students enrolled in undergraduate and graduate programs on a full- or part-time basis.

The University is also making great strides towards accomplishing its goal of making computers a vital part of each student's education. There are currently 18 computer labs, including eight in residence halls, for use by students. In addition, nearly a half dozen departments have created computer labs for their students. This year the Board of Trustees has committed additional funds towards updating equipment in campus computer labs and additional networking of labs and academic buildings.

The focal point of the 1,338-acre campus is the nine-story Jerome Library, with its collection of more than four million items, including 1.8 million volumes plus journals, periodicals, microforms, government documents and other materials.

Special sections of the library include the Center for Archival Collections, which houses materials relevant to northwest Ohio history, and the Sound Recordings Archives with one million recordings. The Institute for Great Lakes Research, located in Perrysburg, contains an extensive collection of materials on the shipping industry's past and present.

The University is continually improving its more than 100 existing buildings and upgrading facilities to meet current needs. This fall, the Eppler Center, which houses the School of Health, Physical Education, and Recreation, is open following a \$9.5 million renovation. A year ago, a \$13.5 million classroom building, Paul Olscamp Hall, was opened and dedicated. The new building features state-of-the-art telecommunications capabilities which open unlimited possibilities for classroom instruction.

Also, the Board of Trustees this summer approved spending \$17 million to upgrade both Kreischer and Harshman Quadrangles, which each house 1,300 students. Kreischer should be completed in time for the start of the 1996-97 academic year and renovation work on Harshman will follow.

In the past three years, a \$9.8 million addition to the Fine Arts Building was completed, Hayes Hall was converted into a computer center, an \$8.7 million field house for intramurals, physical education classes and intercollegiate sports was opened, and a \$15 million renovation of Founders Quadrangle was completed, creating one of the finest and most modern residence halls in the state.

In the past dozen years, more than \$174 million has been allocated for new construction and remodeling projects.

WE DO CHICKEN RIGHT

Call now and time isn't all you'll save.

Your telephone can do more things than run up big bills. It can pay them off. And all you have to do is push a few buttons. So put your checks away and save your stamps for collecting. You can also make transfers, check account balances, even find out which checks have cleared and when. It's called **Jeanie® Telephone Banking**. Call or stop by any banking center to sign up. You'll still have to pay bills. You just can't tell anyone the check's in the mail.

He is a member of the board of directors of Mid American National Bank and Trust Co. and Mid Am Inc. and the BGSU Medici Circle. He also has created a scholarship for minority children in the Big Brother Program to attend the University. A graduate of Muskingum College and the University of Toledo, he taught in the Toledo Public School system before beginning his legal career. Bryan's term will conclude in 2003.

C. ELLEN CONNALLY

Judge C. Ellen Connally is serving her third term as judge of the Cleveland Municipal Court. She is the first African-American woman in Ohio to be elected to a judgeship without first being appointed. Prior to her election, she was an attorney and general trial referee for the Cuyahoga County Court of Common Pleas, Probate Division. She was administrative judge of the court in 1987. Very involved with civic affairs, she serves on the advisory committee of the Task Force on Violent Crime and is chair of the Youth Violence Committee of the task force. She has also served as chair of the board of trustees of the Cleveland Public Theatre and is on the boards of Project Second Chance and the Boys and Girls Clubs of Greater Cleveland. She is a founding member of the Black Women Lawyers Association of Cleveland. Connally, a 1967 graduate of BGSU, was appointed to the board in 1988 for a term ending in 1997.

JOHN A. LASKEY

John A. Laskey of Perrysburg is the chair and CEO of Port Lawrence Title and Trust Co., northwest Ohio's oldest and largest title insurance underwriter. He also is chairman of the Alliance Group, based in Palm Beach, Fla. Actively involved in the community, he is on the board of the Central City Community Development Corp. in Toledo and has participated in regional economic development efforts for several years. He is also a past trustee of the Toledo Area Chamber of Commerce. He is publisher of "Toledo Toward 2000," a book examining economic, technological and societal forces that are transforming the regional economy. On campus, he is a member of the Presidents Club, the College of Business Administration Dean's Council and the Falcon Club. Laskey, who is the 1995-96 president of the trustees, was appointed to the board in June 1989. His term expires in 1998.

DELBERT L. LATTA

Delbert Latta had a distinguished 30-year career in Congress, as a representative from the Fifth Congressional District. The Bowling Green Republican was one of the most influential members of the House of Representatives during his tenure. He earned both bachelor's and law degrees from Ohio Northern University and following three terms in the Ohio Senate was first elected to Congress in 1958. Upon his retirement, friends and family created the Delbert Latta Scholarship Fund to benefit young men and women living in the 16 northwest Ohio counties that Latta served during his political career. His term on the board will expire in 2001.

JOHN C. MAHANEY JR.

John C. Mahaney Jr. is the president of the Ohio Council of Retail Merchants in Columbus. He serves as president of the Merchants Services, Inc. and holds the position of executive director of both the Ohio Automatic Merchandising Association and the Ohio Association of Wholesaler/Distributors. A graduate of Niagara University, he is a former sports editor of the Piqua Daily Call. All three of his children are BGSU graduates. He was appointed to the Board in 1987 and his term expires in 1996.

G. RAY MEDLIN JR.

G. Ray Medlin Jr. of Toledo is executive secretary and treasurer/business manager of the Northwest Ohio District Council of Carpenters and is chair of the Ohio Carpenters pension fund, which manages more than \$1 billion for retirees. He also is president of the Northwest Ohio Building and Construction Trade Unions, representing 10,000 members throughout northwest Ohio. He is a member of the Ohio State Council of Carpenters, the Toledo Regional Economic Growth Committee, co-chair of the United Way Campaign cabinet and on the board of directors of Riverside Hospital and the Lucas County Port Authority. His term will expire in 1999.

He has been active on the boards of Lourdes College, the St. Vincent Medical Center Foundation, Catholic University of America and the Central City Ministry of Toledo. From 1992-95 he was chairman of the Lucas County Republican Party. He is a member of both the BGSU Falcon Club and Presidents Club. His term will expire in 2000.

KERMIT STROH

Kermit Stroh of Wapakoneta is president and chief executive officer of Moulton Gas Service Inc. His company provides propane gas service to more than 25 counties in west central Ohio and he is a former president of the Ohio Propane Gas Association. Stroh has been a generous contributor to the University through his involvement with the Charles E. Perry Society, Gold University Circle, the Presidents Club and Falcon Club. He is also active in the Republican party. Two of his three daughters, Tracey (Stroh) Wright '77 and Melissa (Stroh) Wansker '82, are University alumni. His term will expire in 2002.

PRESIDENT

Dr. Sidney A. Ribeau's appointment last spring as the ninth president of Bowling Green State University was met with a great deal of enthusiasm from faculty, staff, students, alumni and friends of the University. In the intervening months, that enthusiasm has not diminished.

He came to Bowling Green from California State Polytechnic University at Pomona where he had been vice president for academic affairs since 1992.

"Bowling Green is going to like Sidney Ribeau and Sidney Ribeau is going to like Bowling Green," John Laskey, president of the University's Board of Trustees, said at the time.

The search for Bowling Green's new president was the most open in University history. Judge C. Ellen Connally, former president of the Board of Trustees and chair of the search committee, promised early that no constituency would be left out of the process.

"Dr. Ribeau fulfills the credentials that the Presidential Search Committee established after listening to all the constituencies of the University. He has a warm and easy manner that portrays the confidence he has in himself. I think Dr. Ribeau will not only do things right—he will also do the right things. That is a leader!" Laskey said.

In accepting the Bowling Green presidency, Ribeau said he was eager to accept the challenge of leading the University. "Bowling Green State University is ready to move decisively and quickly towards the challenges of the future. The president is just one player in a team that has to be prepared, motivated and ready to act. I am able...I am willing...to make my contributions to this process. I will not weary, I will not fail the University," he said.

Ribeau was a popular selection.

Dr. Sidney Ribeau

He was endorsed by the student newspaper and was the clear choice of the faculty and staff. "Sidney Ribeau was by far the number one choice of administrative staff," said Pat Green, the former chair of the Administrative Staff Council.

"Bowling Green is very fortunate to have found such an able leader who can be supported by all campus constituencies," said Dr. Fiona MacKinnon Slaney, chair of Bowling Green's Faculty Senate.

Ribeau's career in higher education includes extensive background in university administration and experience in the areas of strategic planning, faculty development, fund raising, program planning, communications and university relations.

At Pomona, he managed a division of approximately 1,300 faculty and staff and a \$70 million annual budget. Ribeau also implemented a divisional strategic plan, developed a campus diversity plan, implemented a faculty professional development program and reorganized the divisional financial management

system, among other accomplishments.

As dean of the College of Liberal Arts at Cal Poly San Luis Obispo from 1990-92, Ribeau increased faculty ethnic and gender diversity, developed a college strategic plan and initiated a college annual giving campaign during a time of significant budgetary reductions.

From 1987-90, Ribeau was dean of undergraduate studies at California State University at San Bernardino. From 1976-87, he was chair of the Pan African studies department and professor of communication studies at California State University at Los Angeles.

He has continued to teach throughout his administrative career and has maintained an interest in intercultural communication, African-American culture, relational communication, public discourse and race relations. He is the co-author of *African American Communication: Ethnic Identity and Cultural Interpretations*, which in 1994 received the Distinguished Scholarship Award for New Books, International and Intercultural Communication Division from the Speech Communication Association. He was selected earlier this year to give the 1995 B. Aubrey Fisher Memorial Lecture at the University of Utah. The lecture is one of the highest awards given to a scholar in the field of communications.

In the summer of 1994, he was invited to deliver the keynote address, "I, Too, Dream America," at the Chautauqua Institution, Chautauqua, N.Y.

Ribeau, who grew up in the Detroit, Mich. area, holds a bachelor's degree from Wayne State University. He received his master's and doctoral degrees from the University of Illinois in 1973 and 1976, respectively.

FOR MANY HOSPITALS, CONSOLIDATION IS A BOLD NEW TREND.

FOR US, IT'S A 20 YEAR TRADITION.

Collaboration. Joint ventures. Mergers. Those are the buzz words sweeping hospitals across the nation as health care reform begins.

Mercy and St. Charles Hospitals applaud this way of thinking. In fact, right here in Toledo, we've been practicing this "new" philosophy for more than 20 years.

To us, it makes good sense for hospitals, and for the community. Because when administrative services, technology and staffing are shared, costly duplication can be greatly reduced or even eliminated.

At Mercy and St. Charles, we share a single source for gerontology services, purchasing,

computer services, rehabilitation services and more than 15 other operations. Which has helped save tens of millions of dollars over our two decades of working together.

The savings are reward enough for doing business this way. But it's also nice to know we've been a trend-setter for all these years.

BETTER HEALTH, TIMES TWO.

ATHLETIC DIRECTOR

Dr. Ron Zwierlein begins his second year as the director of intercollegiate athletics at Bowling Green State University having already accomplished a great deal in his short tenure.

During his first year as the director of Falcon athletics, he guided the men's sports program to the coveted Reese Trophy, symbolic of overall excellence in the Mid-American Conference.

Zwierlein, who was named to his present position on July 6, 1994, is more familiar with the BGSU athletic department, its operation, and the people than one would expect of a person recently appointed to the position. A 1968 graduate of BGSU who also has his master's from BGSU and a doctorate degree in athletic, physical education, and recreation administration from Ohio State, Zwierlein has been associated with the athletic department in many different capacities over the years.

Zwierlein, the 10th athletic director in the history of the department, spent the 1993-94 academic year as the interim vice-president for student affairs. In that capacity, he oversaw all student related activities, which included residential life, financial aid, recreational sports and the health center to name just a few of the areas.

Zwierlein comes from a diversified background in athletics that includes everything from being a collegiate athlete himself, to coaching, to administration.

He returned to BGSU to head the men's and women's swimming and diving teams in 1981 while also serving on the faculty at the University.

After three years as the head coach, during which his women's teams finished second in the Mid-American Conference all three seasons, Zwierlein accepted the position as the associate director of the Student Recreation Center on campus.

While still working as a director of the Student Recreation Center, Zwierlein was appointed to direct the planning and oversee the construction of the \$8.7 million Bowling Green University Field House in 1991.

In 1992, he accepted the position as director of recreational sports, which included supervision of all facilities, staff, programs and financial resources associated with recreational sports. He was also respon-

Dr. Ron Zwierlein

sible for overseeing the building and establishing the operational structure of the Field House.

Zwierlein was also involved in the athletic department at John Carroll University in University Heights, Ohio, near Cleveland. While at JCU, Zwierlein served as the head swimming and diving coach (1975-81) and athletic director (1977-1981). In his six seasons heading the men's swimming and diving program Zwierlein led JCU to the Presidents Athletic Conference title once while they

placed seventh in the NCAA meet in 1980-81. During his tenure as JCU's swimming and diving coach, Zwierlein helped develop 28 swimmers and divers who earned All-America honors.

Zwierlein's collegiate swimming and diving teams combined to compile a 92-37 record while he had a career mark of 171-50, including his time spent coaching at the high school level.

During his tenure as the athletic director at JCU, he also served as chair of the physical education department, which included overseeing all aspects of both areas.

A native of Rochester, N.Y., Zwierlein earned three letters as a member of the Falcon swimming and diving team, serving as team captain in 1967-68 as a senior. Zwierlein was a diver, finishing among the top four in the one-meter event at the MAC Championships as a junior and senior.

During his undergraduate days, Zwierlein also served as BGSU mascot Freddie Falcon.

After graduation from BGSU, Zwierlein served as head swimming and diving and soccer coach at Monroe High School in his hometown and as swimming and diving coach at Fremont (Ohio) Ross High School.

Zwierlein and his wife Cindy, a 1969 BGSU graduate, have three children, Heidi, Heather and Chad. Heidi and Heather are both students at BGSU.

Today's Halftime Show BGSU FALCON MARCHING BAND September 16, 1995

What better way to enjoy a late afternoon at the ballgame than to watch the Fighting Falcons and look at the lights of Broadway? This afternoon's halftime includes some of Broadway's most energetic show tunes in Falcon Marching Band fashion.

The show begins with the theme of the show, *On Broadway*, and continues with a segue to Andrew Lloyd Webber's *Jesus Christ Superstar*. A show from the '70s, reminiscent of the days of the motown sounds of the Supremes, was entitled *Dream Girls*, and the Falcon Band's rendition hopes to revive the spirit of the times!

What Broadway salute would be complete without *West Side Story*? Today's contribution from that show is just for the East-side stands... We hope you enjoy *Mambo*. A '60s show, remade in the '90s, was made popular originally by The Who and even Elton John. Today, it will be popular because of the Falcon Band... *Pinball Wizard*.

The Falcon Band hopes that today's trip "On Broadway" is enjoyable and that its energy sparks an enthusiastic crowd to urge on the Falcon footballers to a victory in their MAC debut!

BGSU ATHLETIC DEPARTMENT

The tradition of excellence that is Bowling Green State University athletics continued in 1994-95 as the Falcon men's athletic programs earned the top award from the Mid-American Conference, the Reese Trophy, for overall athletic excellence. It is the second successive year the men have captured the all-sports award. The Falcon women's programs have captured the Jacoby Trophy four of the last eight years, including three consecutive years between 1992 and 1994.

As we move further into the final decade of the 20th century, the accomplishments of BGSU's coaches and student-athletes solidify BGSU's place as one of the top athletic programs in the country.

Bowling Green sports teams of the 1980s achieved a level of success matched by few and, based on the performance of Falcon teams as we approach the midway point of the 90s, they are maintaining their place among the elite in collegiate athletics.

Bowling Green claimed 24 conference titles during the 1980s with twenty-one teams earning berths in postseason play. Halfway through the 90s, BG teams have already won 10 league titles with nine teams making appearances in post-season action.

The following is a brief synopsis of each program in the BGSU Athletic Department...

BASEBALL - The program has a young, energetic leader in sixth-year head coach Danny Schmitz who has developed one of the top programs in the region. Schmitz, who played eight seasons of professional baseball, has steadily built the program into one of the best in the MAC which culminated with the 1995 league title, the program's first since 1972. BG has won 62% of its games the last two seasons. Many former BGSU players have gone on to play professional baseball including two of the better pitchers in the game, Roger McDowell and Orel Hershisier.

MEN'S BASKETBALL - Coach Jim Larranaga's 10th team will make a run at the league title with a young, energetic squad led by the return of all three players in the backcourt. BG made back-to-back postseason appearances for the first time in 30 years in 1989-90 and 1990-91. Historically, BGSU leads the MAC in postseason appearances (22 games), victories (eight) and number of All-Americans (eight). Former NBA standouts Nate Thurmond and Al Bianchi are among BGSU's alumni. Thurmond and coaching great Harold Anderson were inducted into the National Basketball Hall of Fame in 1985.

WOMEN'S BASKETBALL - The tradition-rich program will look to return to the top of the MAC standings in 1995-96. BGSU has compiled a 198-67 record over the last nine seasons. The Falcons are the winningest team in MAC history having captured six league tournament and five

regular season championships. The success of the program has attracted large crowds to Anderson Arena, including 4,408 fans for the 1993 NCAA Tournament game against Florida.

CROSS COUNTRY - The program is in good hands with Sid Sink in charge of the men and Steve Price directing the women. Sink, a former track and cross country All-American at BGSU, coached the BG women to four cross country titles in the 1980s. Now, he's working his magic with the men. Price, an experienced coach on the national and international level, is in his sixth year as the head coach.

FOOTBALL - Two MAC titles and a run at championships each of the last two seasons has put the program back among the elite. BG won 19 straight league games in head coach Gary Blackney's first three seasons while compiling a 28-2-2 MAC mark over the last four years. BG's 36-8-2 overall record the last four seasons is the seventh best mark in the country among Division I-A schools. With five bowl games and 10 MAC titles in its history, BGSU alumni have included former NFL all-pros Phil Villapiano (Oakland), Mike Weger (Detroit), and Doug Smith (Los Angeles Rams), 12-year veteran Bob Reynolds (St. Louis), and Jamie Rivers (St. Louis).

GOLF - Coach Todd Brunsink's men's and women's golf teams play on some of the most challenging courses in the country and in some of the most prestigious tournaments on the collegiate level. The Falcon men's program, which was second in the MAC last season, its best finish since 1983, has won four league titles and made four NCAA Tournament appearances while the women's program is annually among the best in the region.

GYMNASTICS - Year in and year out, Coach Charles Simpson fields a MAC title contender. With three MAC titles since 1980, the Falcons have qualified as a team for postseason competition five of the last 12 years. In each of the last six seasons, his teams have consistently increased the school record for team score.

HOCKEY - A winning tradition is what the Falcon hockey program is all about with head coach Buddy Powers leading the 1994-95 squad to a top 10 national ranking and a second-place CCHA finish. One of only five teams in the country to earn 20 or more wins every year between 1981 and 1990, BGSU will be looking to make its fifth NCAA Tournament appearance in the last 10 years this season. In all, the Falcons have appeared in nine NCAA Tournaments winning the 1984 national title. In all, the Falcons have won 11 conference titles. BGSU has produced some of college hockey's greatest names, 10 of which who currently play in the NHL, including defenseman Garry Galley and Rob Blake and forward Nelson Emerson. BG is also the home of two players who have captured the Hobey Baker Award.

SOCCER - The program, which has made

three NCAA Tournament appearances, posted a winning record in all but one year of the 1980s and the success has continued in the 90s with the team compiling a 64-24-4 record the last five seasons. BG ranked sixth in the Great Lakes Region in 1994 and second in Ohio. The BGSU schedule annually includes perennial NCAA power Indiana along with the Kwik Goal/BGSU Classic. BG has won 12 or more matches in six of the last 10 years for a 67.2 winning percentage.

SOFTBALL - Third-year head coach Rachel Miller-Reif will have another title-contending squad in 1996 with many of her key players returning. The program earned league titles in 1993 and 1988. The program annually plays some of the top teams in the country besides its demanding league schedule.

SWIMMING AND DIVING - Randy Julian begins his first year with the men's and women's programs looking to continue to make winning a habit. Thirteen dual meet wins in 1991-92 by the women's program established a school record while they have finished third or better in 12 of 14 MAC meets. The Falcons train at beautiful Cooper Pool, one of the midwest's top swimming and diving facilities.

TENNIS - The Falcon tennis teams have the advantage of playing and practicing at one of the finest facilities of its kind in the region - Robert Keefe Courts. The men's team, under the guidance of 1994 MAC Coach of the Year Dave Morin, has never finished lower than fourth. The women's program is under the guidance of Penny Dean, who is in her sixth season.

TRACK & FIELD - Bowling Green, long associated with success in track and field,

have had 10 athletes compete in the NCAA meet the last four seasons. Among the track alumni is six-time NCAA All-American and 1972 Olympic gold medalist Dave Wottle. Sid Sink, a seven-time All-American at BGSU, heads the men's track team, while Steve Price directs the women's program.

VOLLEYBALL - Coach Denise Van De Walle has steadily built the Falcon volleyball program into one of the best in the country. The 1992 team won a school-record 30 matches on its way to a third MAC title in four seasons. BG has won 20 or more matches seven of the last nine years. Van De Walle, three times named the league Coach of the Year, has led the Falcons to 206 wins over the last seven seasons or a victory three out of every four times they've played.

STOP SIGN.

There are many reasons you may think of stopping when you see our sign.

The most obvious, of course, is its color. Red. But there's a lot more to consider.

Our Home Style Meat Loaf served under a delicately seasoned brown gravy.

Chicken 'N Noodles simmered with fresh garden vegetables.

Country Fried Steak in a hearty country gravy. We've got a dozen new dinners.

And if the selection doesn't stop you, the price will. Because seven of those

dinners cost less than five dollars. So drop by after the game.

Where? Just stop when you see our sign.

Just a few smiles from home.®

Get a Telephone Season Ticket and be at every Bowling Green Falcons game - even if you live 2,000 miles away!

No matter how far away you live from your favorite team, you can always hear the live play-by-play over the telephone by calling TEAMLINE. Now with the TEAMLINE Telephone Season Ticket you can hear the games you want at a lower cost and with faster access.

The TEAMLINE Telephone Season Ticket is a pre-paid telephone calling card designed to ease access to your favorite team's games by eliminating the need to use a Visa or MasterCard each time you call. Plus, fans can enjoy great savings by buying in bulk. Instead of starting at the regular rate of 50¢ per minute fans can pay as little as 25¢ per minute, including long distance charges, for every minute they listen. Plus, the athletic department gets a percentage of each season ticket order to help support the team financially. To order a TEAMLINE Telephone Season Ticket just mail in the coupon below or call 800-225-5321 for more information.

Even without a season ticket, you can hear any game by calling TEAMLINE. Just call 800-846-4700 during a game and enter your team's four digit access code - 3396. You can listen as long as you like and pay between 50¢ and 30¢ per minute depending on how long you listen. No matter how you choose to use TEAMLINE you can call from any telephone in the U.S. or Canada including home, office, car, hotel, even a pay phone. TEAMLINE provides the live games of over 350 college and professional sports teams. So no matter where you are - even from 2,000 miles away - you can follow your favorite team on TEAMLINE.

VARSITY BG CLUB SAYS GO FALCONS!

ABOUT THE VARSITY BG CLUB

The Varsity BG Club is an exclusive organization open only to former Bowling Green State University varsity letterwinners, who, for a non-tax deductible contribution of \$20 per year, can help operate the club and support BGSU athletics at the same time. Almost 600 former Falcon letterwinners were Varsity BG Club members last year. Again this year, the Varsity BG Club is offering a lifetime membership for \$200; no other dues will ever be required. Lifetime memberships for those 65 and older are only \$100.

The Varsity BG Club undertakes two major projects each year. In July we will enjoy another Doyt Perry Golf Outing at the BGSU Forrest Creason Golf Course. Each fall, the annual Varsity BG Day festivities take place in conjunction with a Bowling Green football game. It's a great day to return to campus and visit with former classmates and teammates.

We are looking forward to another big year for the Varsity BG Club and Falcon athletics, and all we need from you is your participation.

MEMBERSHIP BENEFITS

All active members of the Varsity BG Club will receive:

- Membership in an exclusive organization open only to BGSU varsity letterwinners.
- A list of special activities and programs, such as the ones described above.
- Subscription to the quarterly newsletter.
- Personal satisfaction in contributing to BGSU athletics through your continued involvement.

DOYT L. PERRY STADIUM

A Mid-American Conference record crowd of 33,527 attended the Toledo-Bowling Green game in 1983.

Doyt L. Perry Stadium, with its 30,599 seating capacity, is celebrating its 30th year as the home of Bowling Green State University football.

Built in 1966 for approximately \$3 million as a replacement for the 43-year-old University Stadium, Perry Stadium had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Stadium holds the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Stadium for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out Toledo at Perry Stadium in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,110, an average of 22,422.

In 1944, BG fans bettered the mark of 1985 as 114,802 fans, an average of 22,960, attended the five home games.

The Falcons begin the 1995 season looking to maintain their home dominance where they have compiled an 18-1-1 record during head coach Gary

Blackney's tenure.

Perry Stadium is more than just a football facility. The east side of the stadium includes dressing rooms, equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift seven years ago.

The football facility at BGSU was formally dedicated as Doyt L. Perry Stadium on Sept. 26, 1992. Doyt's wife, Loretta, is joined by Varsity BG Club President Tom Vogtsberger (far left), BGSU Athletic Director Dr. Ron Zwierlein (next to Vogtsberger) and head football coach Gary Blackney. A plaque (inset) was put up on the west side of the stadium commemorating the dedication.

A physical fitness center/weight room opened its doors to all 19 intercollegiate athletic teams in the summer of 1988.

Also situated on the west side of Perry Stadium is the Falcon Club offices and clubhouse, the office for the Director of Academic Affairs, the track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 16th year of operation, the Stadium Club's 106 theatre-type seats, which are all sold, provide loyal BGSU fans with the best view of the game. The President's Box, located at the top of the east side of the stadium, provides luxury seating for President Sidney Ribeau, his guests, and other supporters of Falcon football.

Bowling Green won the first game ever played in Perry Stadium, defeating Dayton, 13-0, on October 1, 1966. Since

that time, the Falcons have won over 67 percent of their home games, compiling a 94-43-6 record in the 143 games played at Perry Stadium. Over the last 13 seasons, Bowling Green is 50-10-4 at home for a .813 winning percentage.

Perry Stadium is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, Perry is fourth all-time behind Bob Reade (Augustana), Knute Rockne (Notre Dame) and Frank Leahy (Notre Dame) in winning percentage among coaches with at least 10 years of service on the collegiate level. Perry served as the BGSU athletic director for seven years after stepping down as football coach.

SPIRIT & TRADITION

Alma Mater

Alma Mater hear us,
As we praise thy name
Make us worthy sons and daughters
Adding to thy fame.

Time will treat you kindly
Years from now you'll be
Ever dearer in our hearts,
Our University.

From your halls of ivy
To the campus scene,
Chimes ring out with gladness
From our dear Bowling Green.

When all is just a mem'ry
Of the by-gone days,
Hear our hymn dear Alma Mater
As thy name we praise.

Ay Ziggy Zoomba

Ay Ziggy Zoomba Zoomba Zoomba
Ay Ziggy Zoomba Zoomba Ze
Ay Ziggy Zoomba Zoomba Zoomba
Ay Ziggy Zoomba Zoomba Zi

Roll along you BG warriors
Roll along and win for BGSU

Ay Ziggy Zoomba is Bowling Green's unofficial fight song. Gil Fox, an Air Force bombardier in World War II stationed in Italy, brought a loose translation of a Zulu war chant back with him, and since its introduction in 1946 to a campus spirit assembly, it has kept its place in BGSU history. The Falcon football team traditionally sings "Ay Ziggy Zoomba" after each victory.

Why Orange and Brown?

Burnt orange and seal brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a woman's hat on a bus trip to nearby Toledo, Ohio. He liked the brown and orange color combination. So, too, did former Cleveland Browns' head coach Paul Brown. Following a trip to BGSU in the 1940s, Brown used the colors for his All-America Conference team.

Fight Song

Forward Falcons, Forward Falcons
Fight for victory,
Show your spirit, make them fear it
Fight for 'ol Bee Gee
Forward Falcons, Forward Falcons
Make the contest keen
Shout out the fame of our mighty name
And win for Bowling Green!

Frieda & Freddie Falcon

Frieda and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and winners remain anonymous to the student body until each is "beheaded" at the last home basketball and hockey game. The Freddie Falcon tradition began in 1950 while Frieda Falcon was added for the 1979-80 athletic year.

Retired Jersey

The only football jersey ever retired at Bowling Green is #29. It was worn by Paul Miles from 1971-73. Miles rushed for 3,239 yards and 25 touchdowns in his career and was a three-time first team All-MAC selection. He was just the third back in NCAA history to rush for 1,000 or more yards in three consecutive seasons.

Why The Falcons?

The 1994-95 season marks the 68th anniversary of Bowling Green's nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake '23 suggested the nickname, Falcons, after reading an article on falconry. Lake, managing editor and sports editor of the Sentinel Tribune in Bowling Green at the time, proposed the name change because it fit headline space and because falcons were "the most powerful bird for their size and often attacked birds two or three times their size."

HALL OF FAME CLASS HONORED

This afternoon, at the beginning of the halftime activities, the 1995 Bowling Green State University Athletic Hall of Fame class will be introduced. The class of five was formally inducted during ceremonies last night at the University Union. Their induction brings membership to a total of 141. The 1983-84 national championship hockey team is also a Hall of Fame member.

The class of 1995 includes women's basketball player **Paulette Backstrom '89**; hockey player **Nelson Emerson '90**; softball player **Amy (Lienhardt) Hochanadel '88**; three-sport letterwinner **Adolph Madaras '40**; and volleyball player **Linda (Popovich) Nicastro '90**.

Backstrom was an integral member of head coach Fran Voll's women's basketball teams in the late 80s which captured three consecutive (1986-87, 1987-88, 1988-89) Mid-American Conference regular season and tournament championships. And, by virtue of winning the league tournament, three consecutive trips to the NCAA Tournament, also. She helped the Falcons compile a 96-23 (.807) overall record over the three championship seasons, a 53-7 (.883) mark in league play over the same period.

The point guard on those teams, Backstrom was the recipient of the Frances Pomeroy Naismith Basketball Hall of Fame Award presented each season to the top player in the country under 5-foot-6. The 5-5 Backstrom averaged 8.9 points and 7.2 assists (led the MAC) her senior season earning first-team All-MAC honors in addition to being named the MAC Tournament MVP.

Backstrom attended graduate school at Bowling Green earning her master's in organizational development/business administration. Since 1993, she has worked for Ameritech in Chicago. She is currently a manager in human resources.

Emerson is one of the top offensive players to ever play on the collegiate level. He ended his career sixth on the all-time NCAA career scoring list with 294 points, 24 more points than any player in school history and the most ever by a player in the Central Collegiate Hockey Association.

After scoring 61 points as a freshman (1986-87) and earning CCHA Rookie of the Year honors, he was a second team All-America selection as a sophomore scoring 83 points and setting a CCHA record for points by a sophomore with 65 in league play. He was also a finalist for the Hobey

Baker Memorial Award as a sophomore, the first of three seasons in which he was among the top players in the country.

After scoring 68 points as a junior, Emerson enjoyed a banner senior season scoring 82 points earning first team All-America honors. His 29-game scoring streak in 1989-90 still stands as the best in school history while he tallied a point in 40 of 44 games his final season. For his career, in which he played in all 128 possible CCHA games, he had a point in 151 of 178 contests.

Emerson began his sixth season of professional hockey this month with Winnipeg, his third season with the Jets. He also played for two years with St. Louis and one year with Peoria in the International Hockey League.

Emerson and his wife, June, have one child, Mackenzie, 4 months old. They reside in Glendale, Mo.

Hochanadel is considered by most the best player ever to wear the brown and orange on the softball field.

She had a senior season (1988) unlike any player in school history hitting .439 (2nd in the nation, best in BG history), with 57 runs scored (2nd in nation, best in BG and MAC history) and 83 hits (5th in the nation, best in BG history). In addition, she set a school and league record with 53 stolen bases, which was a figure that led the nation in 1988 and ranks as the seventh highest total in NCAA history.

For her efforts as a senior, Hochanadel, an outfielder, earned second team All-America honors, the only BG player to earn national accolades for their play on the field. She was also a first team All-MAC selection and the Player of the Year in the conference.

Also an excellent student, Hochanadel earned first team GTE/CoSIDA Academic All-America honors her senior season with a 3.68 GPA in special education. She is one of only two BG softball players to have earned conference academic honors three times.

Hochanadel and her husband, Dave, reside in Perrysburg. She has worked in the Perrysburg school system since graduation and currently teaches students at the high school who have learning disabilities.

Nicastro, like Hochanadel, is one of the best student-athletes to ever attend BGSU.

On the court, as a setter, she was a three-time All-MAC selection, one of only three

players in school history to earn league honors three times, the MAC Freshman of the Year in 1986, the MAC Player of the Year in 1989, and along with Tammy Schiller, the first Falcon player to earn All-Mideast honors (2nd team, 1989).

She established BG single-season records for assists (1222) and digs (377) in 1989 helping the Falcon program to its first league title with a perfect 8-0 record ending a Western Michigan 98-match winning streak to earn the regular season championship.

Academically, she was also outstanding. Graduating with a 3.96 GPA in political science and economics, Nicastro earned the highest academic honor awarded by the NCAA as a senior, the Walter Byers Scholarship. The scholarship is awarded each year by the NCAA to the top male and female student-athlete in the country.

Nicastro resides in Chicago with husband, Chris. She currently is the Assistant Corporate Counsel for the City of Chicago Department of Law. She earned her law degree from the University of Michigan in 1992 and has been a member of the Illinois Bar since 1993.

Madaras, who was born in Raab, Hungary and raised in Pemberville, Ohio, earned three letters in football (1937-38-39), basketball (1938-39-40) and track (1938-39-40) during his playing career.

He started at tackle on the Falcon football team for most of his three seasons despite never playing the sport until he began attending BGSU.

Madaras also started for most of his three seasons as a member of the basketball team finishing second on the team in scoring as both a sophomore and junior. He had his career high of 211 points as a senior earning second team All-Ohio Conference honors helping the Falcons to a 16-4 record, the best in the first 28 years of the program. He totaled 477 points for his career.

Madaras competed mostly in the field events as a member of the Falcon track team. He often competed in the high jump, pole vault, shot put, and discus. He was the captain of the 1940 squad setting a school record in the shot put.

After a stint in the Navy, the lifelong farmer returned to the area teaching industrial arts and physical education at Pemberville. After consolidation, he taught industrial arts at Eastwood High School. All in all, Madaras, who passed away in 1975, taught in the school system from 1946 until 1974.

Bowling Green had a huge advantage in time of possession in the second half, 21:17 to 8:43, as an opportunistic, efficient offense combined with a stingy defense to post the program's first win over a Big Eight opponent.

The Falcon defense played its best 30 minutes of the season in the second half allowing just four first downs and 113 yards of total offense. They also came up big early in the fourth quarter halting Missouri tailback Devin West on a fourth-and-one play at the Bowling Green 10-yard line after Bowling Green had taken their first lead just minutes before.

The offense also got on track in the second half. Besides holding onto the ball for over 70% of the half, they put 17 points on the board and were guilty of just one turnover. Quarterback Ryan Henry did a good job throwing underneath the Tiger coverage to the backs, who caught 11 passes, and tight end Trevor Stover, who caught seven passes. Henry completed 10 consecutive passes in the second half at one point, and 15-of-21 passes in the final 30 minutes.

OPTIMISM HIGH IN FALCON HOCKEY CAMP

The BGSU icers took a giant step last year in reestablishing themselves as one of the nation's top programs.

Under the guidance of first-year head coach **Buddy Powers**, the Falcons recorded their most victories (25) in five years and posted the school's best league standing — second place — since 1987-88.

Despite its highly successful regular season, the year ended on a down note with BG just missing an invitation to the NCAA Tournament.

This year's club is looking to take the efforts of last season's squad to the next level — making the nationals. With the talented group of players the Falcons have back in 1995-96, BG should have an excellent chance of accomplishing its goal.

A total of 18 letterwinners return for the Brown and Orange, including six of the team's top seven scorers. Although the Falcons return a fair chunk of their offense, BG must deal with the loss of Brian Holzinger, last year's Hobey Baker Memorial Award winner.

Holzinger led the Falcons in goals scored and points as a senior with 35 and 69, respectively. His firepower and solid end-to-end play was a major reason the Falcons enjoyed the success they did.

BG must also compensate for the loss of Tom Glantz (20-12-32) and Kevin Lune (12-15-27) who combined for 32 markers a year ago.

Rising stars like junior right wing **Mike Johnson** (16-33-49), junior center **Curtis Fry** (13-33-46), senior left wing **Jason Clark** (17-23-40), junior center **Mike Hall** (13-22-35) and junior left wing **Brett Punchard** (17-14-31) must pick up the slack.

Clark will again wear the captain's "C" with Johnson and Fry serving as his assistants. Fry was an honorable mention all-league selection as a sophomore.

Also back to aid the offense are junior right wing **Dale Crombeen** (9-24-33), sophomore center **Dave Faulkner** (7-8-15), senior wings **Jamie Williams** (3-1-4) and **Jeff Herman** (3-6-9), sophomore left wing **Brad Holzinger** (3-4-7) and sophomore right wing **Kevin Armbruster** (0-2-2).

Brad Holzinger is coming off a one-goal, five-assist performance over the summer

at the U.S. Olympic Festival for the silver-medal winning Team South squad.

"One question we have about the team is 'who is going to step to the front and become the team leader?'," said Powers. "With the absence of (Brian) Holzinger, we lost a tremendous amount of offense and leadership. Johnson, Clark, Punchard and Hall all had career years. We need that again from them this season — and from others. One guy is not going to replace Brian Holzinger. We need a collective effort."

Though fairly strong up front, the strength of Powers' unit may rest in his defense corps where five regulars return, including First-Team Titan West All-America **Kelly Perrault**.

Perrault, a junior, finished as the third-highest scoring backliner in the country a year ago with his 16 goals and 32 assists. The First-Team All-CCHA pick was also named the league's "Best Offensive Defenseman."

BG's other blueliners with two or more years of experience are seniors **Chad Ackerman** (5-23-28) and **Quinn Fair** (4-7-11), and juniors **Matt Eldred** (2-11-13) and **Todd Kelman** (2-6-8).

Sophomore **Adam Lamarre** saw a good amount of ice time over the second half of the '94-95 campaign when Brandon Carper (2-11-13), BG's only non-returnee at the point, was sidelined with an injury. Lamarre, who was an honorable mention CCHA All-Rookie honoree along with Crombeen, will see a regular shift this season.

"Our defense has potential to be real strong," Powers said. "We have a veteran group that possesses good size and strength. All are capable of moving the puck up ice and starting the offense."

Bob Petrie, who played very well down the stretch last year, inherits the No. 1 goaltending duties from the graduated Will Clarke (14-6-2, 3.10 GAA).

Petrie posted an 11-5-0 record as a sophomore with a respectable 4.00 goals-against average. He has won 27 games for the Falcons over his two seasons.

Noel Crawford, who would have been a senior eligibility-wise this season, has decided not to return to the team in order to concentrate on his graduate studies.

"I think we have a good nucleus back which should help take us a step or two further than we went last year," said Powers. "I'm encouraged in that we have many of our top scorers returning and they will definitely complement our six experienced defensemen who all played well last year."

"In looking at our overall scheme, we should be better defensively as a whole. Our objective is to keep our goals allowed per game at three or less. With our goalies, defensemen and forwards all helping out, I think we should be able to do that."

The Falcons enter camp with only 21 players on their roster, including three incoming freshman recruits — goalie **Mike Savard**, and forwards **Keith Ebare** and **Dan Price**.

Savard comes to BG with a great deal of junior experience under his belt. The former Kindersley Klipper will push Petrie for playing time.

Ebare, who previously played for the Cambridge Winterhawks, and Price, a member of Petrolia Jets last season, were proven goal scorers in the junior ranks and could make an immediate impact with the team.

In an effort to increase the size of their player personnel, the Falcons may add as many as three walk-ons before the season starts Oct. 13 at home against Western Ontario.

In the running for spots on the team are freshman defenseman **John Hustler**, junior forward **Kevin Seguin**, and freshmen goaltenders **Jason Piwko** and **Alan Sikon**. Seguin is looking to regain a position on the team after being released early last year.

"To me, we look pretty well balanced although we do not have a lot of depth," Powers commented. "Hopefully that will not hurt us in the long run."

BG will engage in one of its toughest schedules ever this year with non-conference games against Rensselaer, Clarkson and New Hampshire in addition to traditional league-rivals Lake Superior, Michigan and Michigan State. The Falcons will also face either Harvard or Minnesota at the Mariucci Classic in Minneapolis. BG could meet as many as seven different opponents that played in last year's NCAA Tournament.
